**Mr. Syed Noman ali**

Owner — Vaping e-Liquids distribution

## Subject: Total cost estimate Proposal for complete digital business Setup

dear Mr. Noman,

On behalf of **Zeehunt Software Solutions**, we thank you for the opportunity to present a comprehensive digital setup proposal for **Vaping e-Liquids distribution**. below you will find an easy-to-understand description of the services we propose, crafted to establish a professional and long-lasting online presence for your business.

### Scope of Work

#### 1. business Website

a modern, responsive website reflecting your brand and products. includes product pages, contact forms, and admin access for updates.

#### 2. Video conferencing integration

a secure, on-site video conferencing module integrated into your website to host meetings with distributors and customers without third-party redirects.

#### 3. google SeO

On-page and technical SeO to improve organic visibility and rankings for targeted keywords relevant to your market.

#### 4. Online business Presence on google

Optimization (Search & Maps) to help local customers find your business and contact details quickly.

#### 5. Linkedin business Page

Professional Linkedin company page setup to build corporate credibility and connect with b2b partners.

#### 6. Social Media Presence & Promotional Videos

creation of social profiles (facebook, instagram, TikTok where applicable) plus production of 3–4 short promotional videos suitable for ads and posts.

#### 7. dedicated digital business Number

Provision of a separate business number for online dealings and Whatsapp business

integration to manage customer communications professionally.

## investment & Terms

We propose a one-time, upfront fee for the complete lifetime setup as follows:

### **Total Upfront One-Time cost: PKR 80,000**

(eighty Thousand Pakistani Rupees — Lifetime Setup. This is a one-time setup cost; ongoing maintenance & hosting fees are also included as requested.)

Zeehunt Software Solutions will manage the full delivery from design and development to deployment and initial configuration. We will provide a brief training session for your team to manage content and minor updates after handover.

If you approve this estimate, we will prepare a short Statement of Work with timelines and deliverables for signature. We look forward to partnering with you and supporting Vaping e-Liquids distribution's digital growth.

Sincerely,

---

**Muhammad abubakar**  
chief executive Officer
